QUARTERLY REVIEW

OF

PEDIATRICS

VOLUME 15

1960

MD Publications, Inc.
30 East 60th St.
New York 22, N.Y.

CUMULATIVE SUBJECT INDEX

VOLUME 15

* *indicates original article*

ACATALASEMIA
—new disease, 184
ACRODYNIA
—views on nature of, 203*
AGGLUTININS
—transient granulocytopenia of newborn associated with sepsis due to *Shigella alkalescens* and maternal leukocyte agglutinins, 194
ALBUMIN
—use of glucose, electrolytes, albumin, and amino-acid solutions and whole blood in parenteral fluid therapy, 34*
AMINO ACIDS
—aminoaciduria in pediatrics, 137*
—use of, in kwashiorkor with possible explanation for increased aminoaciduria, 114
—use of glucose, electrolytes, albumin, and amino-acid solutions and whole blood in parenteral fluid therapy, 34*
AMINOPHYLLINE
—poisoning by, in children, 189, 190
ANEMIA
—congenital hypoplastic, cortisone treated, 192
—Heinz body anemia and related phenomena, 193
—pernicious, in childhood, 194
—testosterone-induced remission in aplastic, 191
sickle cell:
—diagnosis and management of, in childhood, 176*
—rates of destruction and production of erythrocytes in, 195
—sickle cell hemoglobin-D disease, 196
ANGIOGRAMS
—in children, 77*
ANIMALS
—animal health and human disease, 160*
ATRESIA
—esophageal, in Israel, 115

BIRTH RATES
—of various countries of the world, 56
BLACK WIDOW SPIDER
—poisoning, 188
BLOOD—*See also Anemia; Hemorrhage(s); Serum; Transfusions.*
—acatalasemia, a new disease, 184
—drug-sensitive erythrocyte, 71*
—effect of safflower oil on blood lipid and protein levels in glycogen storage disease of liver, 28*
—fluorescence of erythrocytes in lead poisoning in children, aid to rapid diagnosis, 189
—Heinz body anemia and related phenomena, 193
—hemoglobin "Bart's," 116
—hemoglobin D and sickle cell disease, 196
—hypogammaglobulinemia in infancy, 117
—immunization practices in bleeding disorders, 120
—leukocytosis as complication of prednisone therapy in rheumatic fever, 197
—lipid fractions and cholesterol levels in, infant feeding and, 54
—review of new blood group factors, 13*
—sickle cell anemia, 176,* 195, 196
—transient granulocytopenia of newborn associated with sepsis due to *Shigella alkalescens* and maternal leukocyte agglutinins, 194
—use of glucose, electrolytes, albumin, and amino-acid solutions and whole blood in parenteral fluid therapy, 34*
—value of placental transfusion in full-term and premature infants, 81*
BONE MARROW
—smears of aspirates from, in diagnosis of neuroblastoma, 256
BOOK REVIEWS
—American Pediatric Directory: A Listing of Pediatricians of the United States, Canada and Hawaii (ed. 9), 132
—Anesthesia for Infants and Children, 63
—Atlas of Cardiac Surgery, 131
—Borderlands of Embryology and Pathology, 63
—Centaur: Essays on the History of Medical Ideas, 129
—Clinical Heart Disease (ed. 5), 64
—Common Infectious Diseases in Children, 264
—Diagnosis and Treatment of Pulmonary Tuberculosis, 129
—Difficult Diagnosis, 262
—Diseases of Children in the Subtropics and Tropics, 64
—Diseases of the Esophagus, 63
—Diseases of Metabolism (ed. 4), 262
—Diseases of the Nervous System in Infancy, Childhood and Adolescence (ed. 4), 263
—Diseases of the Newborn, 264
—Diseases of the Nose, Throat and Ear (ed. 2), 263
—Diseases of Nursing Infants and of Children (ed. 7), 64

—Drugs: Their Nature, Action and Use, 65
—Emotional Problems of Childhood, 64
—Endocrinology (The) of Reproduction, 130
—Esophagus (The): Medical and Surgical Management, 131
—Essential Fatty Acids, 65
—Fundamentals of Clinical Hematology, 198
—Growth and Development of Children (ed. 3), 130
—Growth Diagnosis: Selected Methods for Interpreting and Predicting Physical Development from One Year to Maturity, 131
—Handbook for Diabetic Children, 63
—Head Injuries: Mechanisms, Diagnosis and Management, 63
—Hearing Therapy for Children (ed. 2), 130
—Hemophilic Arthropathies, 64
—Infant Foods and Feeding Practices, 263
—Management of the Newborn (ed. 2), 63
—Middle Ear (The), 198
—Modern Trends in Pediatrics (second series), 65
—More About the Backward Child, 129
—New Illustrated Medical Encyclopedia (The) for Home Use: A Practical Guide to Good Health, 198
—Newborn (The): Therapeutics, Prevention, and Care, 64
—Onset (The) of Stuttering, 66
—Paediatrics for Nurses (ed. 2), 64
—Pediatric Dermatology, 262
—Pediatric Neurosurgery, 130
—Periodontology: Clinical Pathology and Treatment of the Periodontal Tissues (ed. 3), 65
—Pharmacology and Therapeutics (ed. 3), 131
—Physiology (The) of the Newborn Infant (ed. 3), 132
—Poisoning (ed. 2), 262
—Primer (A) of Water, Electrolyte and Acid-Base Syndromes, 129
—Principal Infectious Diseases of Childhood, 198
—Progress in Biochemistry Since 1949, 262
—Small Patients: The Autobiography of a Children's Doctor, 66
—Urology in Childhood, 66
—Year Book (The) of Pediatrics, 65
—Young Children in Hospitals, 65

BRAIN
—angiograms in children, 77*
—infantile hydrocephalus, diagnosis and natural history, 5*
—tuberculoma of, in children, 184

BRONCHIOLITIS
—management of, 208*

CALCIUM
—concentrations of calcium and phosphorus in serum of 6 day old infants fed homogenized milk, 78*

CANCER
—experimental approaches to association of viruses to human cancer, 150*
—national program of cancer chemotherapy research, 57
neuroblastoma:
—ganglioneuroblastoma associated with chronic diarrhea and increased excretion of catecholamines, 258
—intrathoracic neurogenic tumors in infants and children, study of 40 cases, 255
—neuroblastoma sympatheticum, study and report of 217 cases, 254
—smears of aspirates from bone marrow in diagnosis of, 256
—treatment of, with vitamin B_{12}, 257

CATECHOLAMINES
—ganglioneuroblastoma associated with chronic diarrhea and increased excretion of catecholamines, 258

CHEMOTHERAPY
—national program of cancer chemotherapy research, 57

CHLORAMPHENICOL
—fatal circulatory collapse in premature infants receiving chloramphenicol, 190

CHOLESTEROL
—in blood, infant feeding and, 54

CIRCULATORY SYSTEM
—fatal circulatory collapse in premature infants receiving chloramphenicol, 190

CONGENITAL ANOMALIES
—endocrine secretion and, 253

CORTISONE
—in congenital hypoplastic anemia, 192

DERMATOLOGY
—new agent for treatment of seborrheic conditions of scalp of infants and children, 109*
—seborrheic dermatitis, 168*

DIAGNOSIS
—angiograms in children, 77*
—fluorescence of erythrocytes in lead poisoning in children, aid to rapid diagnosis, 189
—of infantile hydrocephalus, 5*
—of lead intoxication, 189, 197
—new tests for syphilis, 121
—recognition and management of diaphragmatic hernias in infancy and childhood, 171*
—of sickle cell anemia in children, 176*
—smears of aspirates from bone marrow in diagnosis of neuroblastoma, 256

DIARRHEA
—ganglioneuroblastoma associated with chronic diarrhea and increased excretion of catecholamines, 258

DIGITALIS
—therapy with, in pediatrics, 41*

ELECTROLYTES
—use of glucose, electrolyte, albumin, and amino-acid solutions and whole blood in parenteral fluid therapy, 34*

EMPYEMA
—in childhood, 115

ENDOCRINE GLANDS
—developmental anomalies and, 253

ENZYMES
—familial deficiency of pseudocholinesterase, 253
EPIDEMIOLOGY
—of poisoning accidents, 137
ERYTHROCYTES
—drug-sensitive, 71*
—fluorescence of, in lead poisoning in children, aid to rapid diagnosis, 189
—rates of destruction and production of, in sickle-cell anemia, 195
ESOPHAGUS
—atresia of, 115

FEVER
—Asiatic hemorrhagic fevers, 243
FLUORIDATION
—of water supplies, 253

GAMMA GLOBULIN
—hypogammaglobulinemia in infancy, 117
GLUCOSE
—use of glucose, electrolytes, albumin, and amino-acid solutions and whole blood in parenteral fluid therapy, 34*
GLYCOGEN
—effect of safflower oil on blood lipid and protein levels in glycogen-storage disease of liver, 28*
GRANULOCYTOPENIA
—transient, of newborn associated with sepsis due to *Shigella alkalescens* and maternal leukocyte agglutinins, 194
GREAT BRITAIN
—hypogammaglobulinemia in, 117

HEALTH
—animal, and human disease, 160*
—child, in United States, 94*
—health inventory of America's young people, 60
—United Nations Children's Fund and child, 18*
HEART DISEASE
—digitalis therapy in pediatrics, 41*
—leukocytosis as complication of prednisone therapy in rheumatic fever, 197
—prophylaxis of rheumatic fever, 119
—rheumatic fever in Israel, 115
—West African heart disease, 117
HEMORRHAGE(S)
—Asiatic hemorrhagic fevers, 243
—immunization practices in bleeding disorders, 120
HEPATITIS
—study of infectious, 115
HERNIAS
—recognition and management of diaphragmatic, in infancy and childhood, 171*
HORMONES
—testosterone-induced remission in aplastic anemia, 191
HOSPITALS
—American hospitals and foreign medical school graduates, 125*
—rooming-in, in Israel, 115
HYDROCEPHALUS
—infantile hydrocephalus, diagnosis and natural history, 5*

IMMUNIZATION
—parent's record for, 120
—practices in, in bleeding disorders, 120
—vaccination of newborn infants with avirulent poliovirus and persistence of antibodies, 184
INFANT FEEDING
—concentrations of calcium and phosphorus in serum of 6 day old infants fed homogenized milk, 78*
—lipid fractions and cholesterol in blood and, 54
—meclizine and pyridoxine in disorders of, 38*
—in the Philippines, 50*
INFECTIONS
—susceptibility to severe, following splenectomy, 259
—transient granulocytopenia of newborn associated with sepsis due to *Shigella alkalescens* and maternal leukocyte agglutinins, 194
—triacetyloleandomycin in treatment of severe infections in infants and children, 102*
IRON
—acute iron poisoning in children, 47*

KWASHIORKOR
—in the tropics, 224*
—use of amino acids in, with possible explanation for increased aminoacid uria, 114

LEAD
—coproporphyrin in urine as test for lead intoxication, 197
—fluorescence of erythrocytes in lead poisoning in children, aid to rapid diagnosis, 189
LEUKOCYTES
—leukocytosis as complication of prednisone therapy in rheumatic fever, 197
—transient granulocytopenia of newborn associated with sepsis due to *Shigella alkalescens* and maternal leukocyte agglutinins, 194
LIPIDS
—in blood, infant feeding and, 54
—effect of safflower oil on blood lipid and protein levels in glycogen storage disease of liver, 28*
LIVER
—effect of safflower oil on blood lipid and protein levels in glycogen-storage disease of liver, 28*
—infectious hepatitis, 115

MEASLES
—new vaccine for, 120
MECLIZINE
—and pyridoxine in feeding disorders of infancy, 38*
MEDICAL PROTECTIVE EMBLEM
—world-wide, 56
MEDICAL SCHOOLS
—American hospitals and foreign medical school graduates, 125*

—stricter standards for foreign physicians seeking training, 185
MILK
—concentrations of calcium and phosphorus in serum of 6 day old infants fed homogenized milk, 78*
—nation-wide testing for radioactivity in, 252
MOUTH-TO-MOUTH RESUSCITATION
—approved, 55
MULTIPLE BIRTHS
—increase of, in United States, 186
MUMPS
—problems in prevention of, 90*

NEWBORN
—medical implications of perinatal mortality trends, 143*
—transient granulocytopenia of, associated with sepsis due to *Shigella alkalescens* and maternal leukocyte agglutinins, 194
—vaccination of, with avirulent poliovirus and persistence of antibodies, 184
—value of placental transfusion in full-term and premature infants, 81*
premature:
—fatal circulatory collapse in premature infants receiving chloramphenicol, 190
—training in care of, 252

PARENTERAL FLUID THERAPY
—use of glucose, electrolytes, albumin, and amino-acid solutions and whole blood in, 34*
PENICILLIN
—review of, 84*
PERINATAL MORTALITY
—medical implications of perinatal mortality trends, 143*
PHILIPPINES
—infant feeding in, 50*
PHOSPHORUS
—concentrations of calcium and phosphorus in serum of 6 day old infants fed homogenized milk, 78*
PNEUMONIA
—pathologic anatomy of interstitial, 54
—serology of interstitial pneumonia, 114
POISONING
—acute iron, 47*
—aminophylline, 189, 190
—black widow spider, 188
—epidemiology of poisoning accidents, 187
—preventive implications of study of 100 poisonings in children, 188
lead:
—coproporphyrin in urine as test for lead intoxication, 197
—fluorescence of erythrocytes in lead poisoning in children, aid to rapid diagnosis, 189
POLIOMYELITIS
—incidence of, in 1959, 119
—live poliovirus vaccine approved for United States, 223
new recommendations for Salk vaccine, 186
—Pediatric Rehabilitation Conference on early management of, 209*
—trials with live virus vaccines in the United States, 186
—vaccination of newborn infants with avirulent poliovirus and persistence of antibodies, 184
PREDNISONE
—leukocytosis as complication of prednisone therapy in rheumatic fever, 197
PROTEIN
—effect of safflower oil on blood lipid and protein levels in glycogen storage disease of liver, 28*
PSEUDOCHOLINESTERASE
—familial deficiency of, 253
PYRIDOXINE
—meclizine and, in feeding disorders of infancy, 38*

RADIATION
—nationwide testing for, in milk, 252
RESPIRATORY TRACT
—empyema in childhood, 115
—management of bronchiolitis, 208*
RHEUMATIC FEVER
—in Israel, 115
—leukocytosis as complication of prednisone therapy in, 197
—prevention of, 119

SEBORRHEA
—new agent for treatment of seborrheic conditions of scalp of infants and children, 109*
—seborrheic dermatitis, 168*
SERUM
—concentrations of calcium and phosphorus in serum of 6 day old infants fed homogenized milk, 78*
—serology of interstitial pneumonia, 114
SHIGELLA
—transient granulocytopenia of newborn associated with sepsis due to *Shigella alkalescens* and maternal leukocyte agglutinins, 194
SICKLE CELL ANEMIA
—diagnosis and management of, in childhood, 176,* 195, 196
SPLENECTOMY
—susceptibility to severe infection after, 259
STREPTOCOCCAL DIPHOSPHOPYRIDINE NUCLEOTIDASE
—recent studies on, 237*
STREPTOCOCCI
—recent studies on streptolysin O and streptococcal diphosphopyridine nucleotidase, 237*
STREPTOLYSIN O
—recent studies on, 237*
SURGERY
—infection following splenectomy in infants and children, 259
SYPHILIS
—newer tests for, 121

TESTOSTERONE
—remission in aplastic anemia and, 191

TOXICITY
—of aminophylline to children, 189, 190
—leukocytosis as complication of prednisone therapy in rheumatic fever, 197
TRANSFUSIONS
—value of placental transfusion in full-term and premature infants, 81*
TRIACETYLOLEANDOMYCIN
—for severe infections in infants and children, 102*
TROPICS
—diseases of children in, 224*
TUBERCULOMA
—of brain, 184
TUMORS—*See also Cancer.*
—tuberculoma of brain, in children, 184

UNITED NATIONS CHILDREN'S FUND
—and child health, 18*
UNITED STATES
—American hospitals and foreign medical school graduates, 125*
—child health in, 94*
—health inventory of young people, 60
—medical implications of perinatal mortality trends, 143*
—new recommendations for Salk vaccine, 186
—plural births in, 186
—stricter standards for foreign physicians seeking training, 185
—trials with live virus poliovaccines in, 186
—typical American family, 149
URINE
—aminoaciduria in pediatrics, 137*
—ganglioneuroblastoma associated with chronic diarrhea and increased excretion of catecholamines, 258
—use of amino acids in kwashiorkor with possible explanation for increased aminoaciduria, 114

VACCINATION
—vaccination of newborn infants with avirulent poliovirus and persistence of antibodies, 184
VACCINE
—new, for measles, 120
VIRUSES
—experimental approaches to association of, to human cancer, 150*
VITAMIN B_6
—present status of metabolism of, 244*
VITAMIN B_{12}
—in neuroblastoma treatment, 257

WATER
—fluoridation of water supplies, 253

ZOONOSES
—animal health and human disease, 160*
—cat scratch disease, 167

CUMULATIVE AUTHOR INDEX

* *indicates author of original article*

Abrahams, Derick, 118
Abramow, M., 54
Ager, John A., 117
Allen, Donald M., 192
Allen, Fred H., Jr., 13*
Ashmore, P. G., 260

Back, E. H., 224*
Bain, Katherine, 18*
Benavides, Lazaro, 116
Benton, Joseph G., 209*
Bernheimer, Alan W., 237*
Binet, J. P., 255
Block, Walter M., 78*
Bodian, Martin, 257
Boley, Scott J., 259
Brandt, Ira K., 194
Burns, L. D., 190
Buser, Fritz, 184
Butler, Allan M., 34*

Cann, Howard M., 187
Carillo, Julio, 116
Cheek, Donald B., 203*
Cohen, Harry J., 102*
Coursin, David Baird, 244*

Del Mundo, Fe, 50*
Diamond, Louis K., 191, 192
Dickstein, Benjamin, 71*

Erlandson, Marion E., 195

Farber, Sidney, 254
Ferguson, Angella D., 176*
Fetterman, George H., 256
Flock, Eunice V., 258
Forward, A. D., 260

Gaffney, Paul C., 256
Gass, A. B., 190
Gasser, Conrad, 193

Ghadimi, H., 137*
Gottlieb, A., 54
Grace, James T., Jr., 150*
Graham Smith, J., Jr., 168*
Gross, Robert E., 254

Hallenback, George A., 258
Hamperl, H., 54
Hansman, Charlotte F., 256
Harris, T. N., 197
Hayashi, Ichiro, 253
Hehre, Edward J., 84*
Heule, Werner, 90*
Hitzig, William B., 117
Hodgman, J. E., 190
Hunt, John, 117
Huntley, Carolyn C., 259
